Your first day

We recognise starting a new job may be stressful, so your first day is designed to make you feel valued and provide an informal and fun opportunity to meet with your manager, get to know your team better, give access to relevant systems and set you on your way.

01

Your second week

This week is about taking a deeper dive into your role and Expereo's culture. You'll gain more role-specific knowledge, and fell an integral team member, actively contributing to our vision, mission and collective goal and start to gain a greater understanding of your impact and contribution.

03

Your first 30 days

You'll reflect on your experience to-date and provide feedback to ensure your ongoing journey is smooth and fulfilling. We encourage you to help shape the continual enhancement of our onboarding process, ensuring Expereo remains a collaborative, vibrant and inclusive company to progress your career.

05

Towards high levels of engagement and performance

02

Your first week

Your first-week experience is designed to make you feel integrated into our community. Through a blend of informative sessions, team introductions, and immersive onboarding activities, we ensure you're provided with the knowledge. resources, and connections that pave the way for a successful and enriching journey with us.

04

Your third week

The focus is creating greater alignment with Expereo's strategic objectives; providing relevant learning and development to enable you to perform successfully in your role, while also encouraging the two-exchange of idea and insight that enables Expereo to provide a supportive and thriving working environment.
